

REMARKS

Regarding the Statement of Reasons for Allowance, applicant notes that the Examiner's Statement references elements that are not expressly recited in the claims. If the Examiner's position is that each claim is to be interpreted as including each element attributed to it in the Examiner's Statement, the Examiner is respectfully requested to withdraw the allowance and to enter a new non-final Office action substantiating such a position. Otherwise, the record will indicate that each claim has been allowed by reason of one or more element combinations expressly recited.

If the Examiner believes that contact with applicants' attorney would be advantageous toward the disposition of this case, the Examiner is herein requested to call applicants' representative at the phone number listed below.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to deposit Account No. 50-0289.
